**CAUSE FOR DISCIPLINE**

**(Out-Of-State Discipline)**

8. Respondent is subject to discipline pursuant to Code section 2761, subdivision (a)(4), on the grounds of unprofessional conduct, in that Respondent has had the health care professional licenses he holds in other states disciplined, as follows:

a. Effective May 2, 2008, pursuant to the Final Consent Order filed by the State of New Jersey, Department of Law & Public Safety, Division of Consumer Affairs, State Board of Nursing ("New Jersey Board"), Respondent voluntarily surrendered his New Jersey Nursing License No. NR89637, with such surrender to be deemed a revocation. The basis for surrender was the fact that the Board was notified that Respondent failed to appear for a drug screening in California. Further, the New Jersey Board believes Respondent may not be capable for medical or other reasons, of discharging the functions of a licensee in a manner consistent with the public's health, safety and welfare, inasmuch as Respondent advised the New Jersey Board that he was suffering from certain health problems which affect his ability to work.

b. Effective November 14, 2007, pursuant to a Stipulation, Settlement and Order entered into by Respondent and the Oklahoma Board of Nursing ("Oklahoma Board"), Respondent voluntarily surrendered his Oklahoma Nursing License No. RN0059194. The basis for the Stipulation, Settlement and Order was that the Oklahoma Board was notified that Respondent failed to appear for a drug screening in California. The stipulation was executed by Respondent for the purpose of avoiding further administrative action with respect to this cause.
